**A message from the president of  
Orange County Children's Theatre**

Welcome to OCCT's Winter 2014 production of Richard Rogers and Oscar Hammerstein II classic, *The Sound of Music*. I am proud of each one of these children that you are about to see. Their sacrifice and dedication will be your reward in this beautiful adaptation of this thrilling and heroic love story.

I am honored to be serving for this organization. It is my goal to continue to offer a positive and safe environment that serves the purpose of providing an opportunity in theater arts to children and their families throughout Orange County.

Orange County Children's Theater is celebrating 45 years. Since 1969, we are the oldest, continuous running children's theatre in Orange County, open to young people from ages 5 - 19. We are very proud of our children. Many have moved on to professional careers in the theatre, while others have become leaders in business and their communities. Through the auditions process, we welcome children from all social and economic backgrounds. While we're dedicated to training each child in the crafts, and skills required for the theatre, paramount importance is placed on the development of each child's self esteem, and feeling of belonging at this theatre. Family values are always encouraged, by example, from the staff of volunteers, giving so generously of their time.

I would like to thank the continuous dedication of our Administrative Board and the support of our parent volunteers. Orange County Children's Theater would not be able to continue without the insurmountable volunteer hours donated. I would also like to thank each director, Grace Lutheran School, Huntington Beach High School, and our sponsors.

If your family is interested in this theater, please go to [www.occt.org](http://www.occt.org) for more information or contact us on the OCCT Hotline (714-502-2244). We also welcome your generous donations to assist with these fabulous productions for our young thespians.

Enjoy the show!

# DIRECTING TEAM

## BETHANY PRICE *Director*

Bethany is excited to join the impressive roster of directors who have helmed OCCT shows, and is grateful to have been trusted with such a wonderful piece of storytelling as *The Sound of Music*. It has been a pleasure to work with OCCT's dedicated and talented performers (and parents) on such an historic and important musical. During her more than 35 years in theatre, she has stage managed, directed and/or produced approximately 60 shows, and was herself a performer for more than 15 years. Bethany received her theatrical training at CSULB, where she was a founding member of California Repertory Company. She is the mother of three children, and has more than 20 years experience casting, coaching, and directing school-age kids in stage productions. In recent years, she directed productions of *Alice in Wonderland*, *The Jungle Book*, *Seussical!* and her own stage adaptation of *The Velveteen Rabbit*, with music by Erik Przytulski. In 2011 and 2012 she wrote, produced and directed two original musicals, *The Kingdom that Couldn't Sleep* and *Adventure!: The Musical*, both of which featured music and lyrics by Erik Przytulski. Bethany combines her love of theatre with her fondness for teaching and children with *Take the Stage Long Beach*, an acting training program for actors ages 4-18.

## JENNY MOON SHAW *Choreographer*

Jenny recently moved to California from England, where she worked as Director of Performing Arts at a large Secondary school for 8 years. This role included directing, producing, choreographing and vocal coaching 12 major productions and numerous smaller ones, including productions such as *High School Musical*, *Return to the Forbidden Planet* and *Honk!* Jenny trained in Drama and Dance at Birmingham University and in teaching at the London Central School of Speech and Drama. She moved to California last year, with her wonderful husband Jon and she currently performs professionally in musical theatre. Recent roles include Anna in *The King and I* (Candlelight Pavilion), Beggar Woman in *Sweeney Todd* (Candlelight Pavilion), Velma Von Tussle in *Hairspray* (Welk Theatre). Jenny is so happy to be once again working with talented and inspiring youngsters and this time she gets to do it in her new Californian home! She would like to thank Bethany for her trust and kindness and for bringing her on board and to the OCCT officers for the opportunity to work for this fabulous theatre company.

## ART ORTIZ *Vocal Director*

Art Ortiz has 21 years of experience traveling as a full-time Christian recording artist and evangelist performing in over 4000 performances. ## TAYLER HAYES *Assistant Director, Telegrammer Choreographer*

Tayler is thrilled to present this fantastic cast. This is Tayler's third time choreographing the telegrammers and first time assisting in the direction of the show. She feels eternally grateful that OCCT provided her with such an amazing learning experience. Tayler also takes much enjoyment in performing on stage herself. Her most recent roles include: Betty Rizzo in Grease, The Fairy Godmother in Cinderella, and Madame Thenardier in Les Miserables. She graduated from the Academy for the Performing Arts in 2011 and continues to perform all over Southern California, with the plan of moving to New York City in the fall of 2014 to pursue musical theater on Broadway. Tayler would like to thank all the parents who make OCCT possible, along with the directors who put together amazing shows, time after time and the parents of the Telegrammers. She appreciates all their help and flexibility throughout this entire process and hopes that their kids had as much fun as she did. She feels honored to have been graced with such talented and enthusiastic kids during this show, and would like to thank each and every one of them for their hard work and dedication to their time on stage.
