# OCCT President's Message

On behalf of the OCCT Board, the cast and all the volunteers who have unselfishly given their time and have worked so hard behind the scenes, I would like to welcome you to our production of Broadway's timeless musical, PETER PAN.

I am both honored and blessed to serve a second year as President of this organization where both my daughters had the opportunity to grow and learn many aspects of musical theater.

Orange County Children's Theater was founded in 1969 as Fountain Valley Theater and is now the longest running children's theater in Orange County. Our mission has always been to provide a safe and welcoming atmosphere for all children and their families. We are more than an educational theater; you will hear members say, "We are family".

OCCT welcomes all children through the audition process and we are dedicated to training children in many aspects of the arts. The long history of volunteerism gives life to what we do at OCCT and sustains this wonderful program.

My heartfelt thanks to Stacy Denbo, our Vice President, who has put her love for children and countless hours into this production. A huge thanks to our Producers Kelly Croft & Stacy Denbo. A special thank you to our Director/Choreographer, Jenny Moon Shaw and Vocal Director/Assistant Choreographer, Marius Beltran. Their dedication, expertise and creativity will be evident as you watch this amazing production. Lastly, I wish to thank all the committee chair board members and parents for their countless hours working behind the scenes. OCCT wouldn't exist without them.

Thank you to all the individuals, organizations and businesses for their financial contributions this year. As a non-profit 503(c) organization, donations help offset our production costs and keep OCCT entertaining Orange County for years to come. I would like to personally invite you, our audience & friends, to get involved and help preserve this children's theater by joining our family in several membership opportunities listed in our program.

Now sit back and experience the magic of Peter Pan, as it teaches us the true meaning of friendship and staying young at heart.

Blessings,

Lorraine Ross

*Proverbs 20:6*

"I do it for the children"

## Directors Note

Thank you so much for journeying with us into the Darling's nursery at bedtime, an exhilarating and vivid time in which the real and make-believe can sometimes morph together in a child's mind, where one can have adventures, "right there where you stand". Our production has had a lot of fun exploring J M Barrie's Neverland...

*"The snuggest and most compact, not large and sprawly, you know, with tedious distances between one adventure and another, but nicely crammed... when you play at it by day with the chairs and table-cloth, it is not in the least alarming, but in the two minutes before you go to sleep it becomes very real."*

We have found it a wonderful place to inhabit and have learnt a lot in the process of creating it. I am proud of this exciting, vibrant and talented cast and hope you enjoy all of our nursery adventures!

### **Jenny Moon Shaw** Director / Choreographer

Jenny studied Drama and Theatre Arts at Birmingham University, England and trained as a Drama teacher at London Central School of Speech and Drama. In England, Jenny worked as Head of Drama, and Director of Performing Arts at a High School for eight years. She moved to California in 2012 and now works as a freelance Actress, Teaching Artist, Director and Choreographer. In California, Jenny has enjoyed directing and choreographing an array of shows at a range of wonderful

venues. Recent work includes choreographing an extract of The Sound of Music for Segerstrom Centre of the Arts, originating the choreography in the world premier musical 'Journey to the West', directing Les Miserables for Orange County Children's Theatre Company and working as a Teaching Artist for Segerstrom Center for the Arts. Jenny is grateful for the energy her cast have given to this process. This show is an exhausting journey for any actor, with huge stylized, all singing, all dancing characters in very large company numbers. OCCT's talented youngsters have not been daunted by the task and have risen to all challenges thrown their way. She is very proud of them all!

They are youth! They are joy! They are freedom!

## **Marius Beltran**

Vocal Director

Assistant Choreographer

Marius Beltran has been performing professionally for the past ten years, and musical directing and choreographing for the last five! This is his first time music directing for OCCT. Favorite credits include: Bun Foo/ Ching Ho in Thoroughly Modern Millie, Sundeep/Carlos in Legally Blonde

Southern California Regional Premiere, Ensemble/Mr. Simpson in The Who's Tommy at East West Players, The Producers, Spamalot, and Miss Saigon. Marius currently holds a BA in music composition and is currently working on a Master's degree in choral conducting. He also works as an arranger, teacher and vocal coach for various groups in Southern California.

### **Hoop Dance**

We decided to bring Native American hoop dance into “Ugh-a-Wug”. It is a song in which the Lost Boys and the Indians unite. Hoop dance was traditionally performed for healing ceremonies throughout tribal communities, to bring balance and harmony back to the world, the hoops representing the never ending circle of life. It has no end or beginning and reminds one that we, as nations, are all connected.

## **Taylor Windle**

### **Telegrammer Choreographer**

Taylor is thrilled to be working with the telegrammers again and can't wait for you to see them shine onstage. This is her 5th time working with the telegrammers and it truly has become one of her favorite things to do. Taylor has been involved in OCCT since she was a Telegrammer, and she has done many shows including Oklahoma, Wizard of Oz, Joseph, and Seussical. She grew up with OCCT being her home away from home and is very thankful to the organization for allowing her to find her love of performing, choreographing, and directing. She went on to pursue her passion for musical theatre throughout high school at HBHS in the APA program and then in New York at CAP 21 Conservatory. She is transferring to Cal State Long Beach in the Fall and will be majoring in theatre arts. Taylor thanks you for coming to see the show and hopes that you will buy some telegrams!!

## **Izzie Stoddard**

### **Telegrammer Assistant**

Izzie feels so blessed to be the assistant telegrammer choreographer of Peter Pan! She has been doing theater since the age of 12 and enjoys working with children as well as being able to inspire others to do what they love. Izzie currently attends the Orange County School of the Arts in the Acting Conservatory as a sophomore. In addition to working with the telegrammers, she has been featured in productions of Mary Poppins, The Wizard of Oz, and High School Musical at Orange County Children's Theater. She thanks you for coming out to the show and hopes you enjoy this fantastic production!
